

## PIT NEWS February, 2025

Editor: Donna Gross

Next Meeting: March 5, 2025

### A Few Words from the President's Desk

We had our first of three monthly meetings at Truman Rec Center, Canal Street, last week. The attendance was about 70 people and we were all comfortable in the Studebaker Room, decorated with lots of hub caps and pictures of now extinct cars. It was a fun night and our speaker, Alan Gross, taught us all about perseverance and determination. He bought an old sprint car and through the years researched its origin, owners, and history and restored it to its former glory. What an interesting story.

Next month we will hear lots of racing stories from the daughter of a racing legend. Come out and join us in a fun meeting room for two hours of racing history.

Enjoy this beautiful weather we are having.

**PLEASE NOTE: Monthly meetings for March and April, first Wednesday of the month, will be held at the TRUMAN Rec Center, 2705 Canal St.** Colony Cottage Rec Center will be closed for repairs.

In closing, be sure to appreciate every day, enjoy our families and friends and always view your glass as half full.

Sincerely,  
Gerry G, Prez

## Next Meeting - March 5

Our next meeting is on Wednesday, March 5, at the Truman Recreation Center, 2705 Canal St, going green at 7 p.m.! Please take note of the temporary location.

We're thrilled to welcome a very special guest speaker: Peggy Flock Black, daughter of the legendary Tim Flock, two-time NASCAR Grand National Series Champion and NASCAR Hall of Fame inductee.

Tim Flock finished fifth in NASCAR's very first Strictly Stock race in Charlotte in 1949. Over his remarkable 13-year career, he raced in 187 events, claiming 39 wins, 129 top-ten finishes, and 39 poles -- a true NASCAR icon.

Peggy will share fascinating stories about her crazy "daddy" -- what it was like growing up with Tim Flock as a father. She'll dive into some of his wildest antics, including his famous co-pilot: a rhesus monkey named Jocko Flocko! Get this: Jocko was in the car during Flock's May 16, 1953 Grand National win at Hickory Motor Speedway, making Jocko the only monkey to ever win a NASCAR race!

You won't want to miss the hilarious and heartwarming stories Peggy has to tell.

## The Villages Motor Racing Fan Club Hall of Fame Induction Celebration

We just want to thank everyone who came out on Saturday, February 1, 2025 to this event. We talked shop with each other while enjoying a meal from Pasta Faire. Then watched while the new inductees were honored, Prediction Row Champion was officially awarded and The Glen Carter Memorial Crew Chief Award was presented and then the evening was closed out by listening and dancing to the dazzling voice of Ms. Toni Booker.

Many people told us it was a wonderful event, sorry some of you missed it. Once we have details on next year's event we will let you know so you can put it in your calendar. A newsletter dedicated to the Hall of Fame Ceremony will be forthcoming so stay tuned.

## Prediction Row 2025

Prediction Row is a column in The Villages Daily Sun sports section every NASCAR points-race day.

At the beginning of the season, twelve club members are selected to compete. Six predict for the first 13 races; the other six predict for the second 13 races. Each week the predictors are awarded the same points as NASCAR awards the drivers. At the end of each segment, the three predictors with the most wins and points move on to compete in the Playoff. After the ten Playoff races, the predictor with the most wins/points is declared Prediction Row Champion.

At our February meeting our Spring Segment competitors were introduced. Our competitors for the 2025 season are as follows:

### **Spring Segment**

Richard Adkins  
Lou Palmer
