### *A Few Words from the President's Desk*

Hello Crew Members,

Summer is sliding to an end quickly. The Little League World Series is underway and school has started in many locations. We have a board meeting in ten days to plan our upcoming season.

We hope all of you that are in town will be able to attend our first regular meeting, Wednesday, September 3 at 7:00 at Colony Cottage Recreation Center.

Our speaker will be Alan Sheppard, former NASCAR inspector. When he spoke to us last time, he had so many stories about behind the scene scenarios. This time, he will tell us about his successful business, Sheppard Racing Enterprises, which he has operated since 1994. They offer race car preparation, maintenance, and customization for local racers.

I look forward to seeing you all again in September.

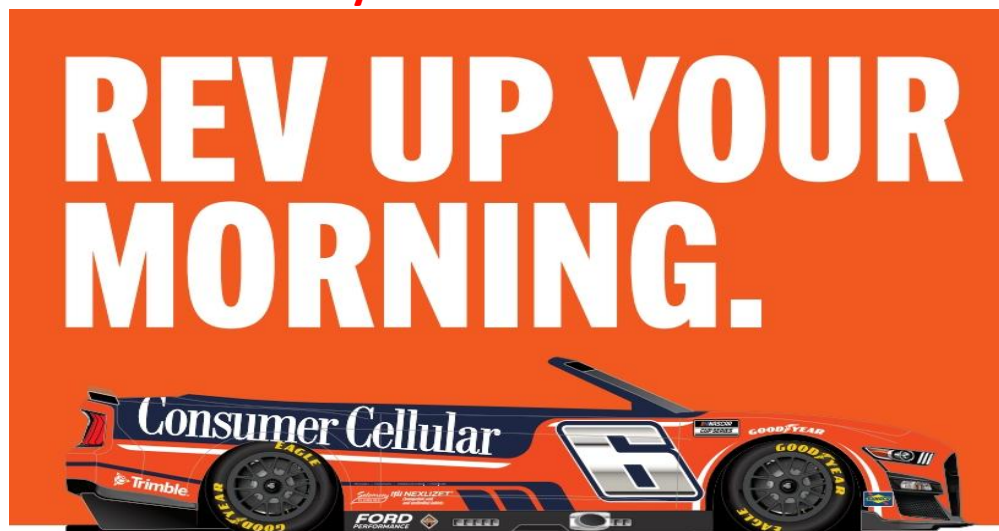

Sincerely,  
Gerry G.  
Your Prez and Crew Chief

## Next Meeting - September 3

Our next meeting is on Wednesday, September 3, at Colony Cottage Recreation Center, going green at 7 p.m.

Our meeting will feature a special return visit from Alan Sheppard, a Hall of Fame member we first met at our April 2016 meeting. Back then, we learned that his racing career began at local tracks in Iowa and Illinois, where his winning ways soon carried him into the national spotlight in ARCA, USAC, and NASCAR's Winston Racing Series. From 1974 to 1992, he battled it out on the track, then shifted gears in 1998 to work behind the scenes as a NASCAR inspector for 15 years before taking his expertise to the ARCA Racing Series.

At this meeting you will hear about his successful venture, Sheppard Racing Enterprises, launched in 1994 while living in Rockford, Illinois and now operating out of an 8,000 sq. ft. shop west of DeLand, Florida. Alan and his wife Lori provide everything from stock car set-up and maintenance to tool and part manufacturing for race teams across the country. They've even run five cars for car owner Jim Daley and also build composite bodies for ARCA chassis.

This is more than a talk – it's a pit pass into the fast-paced world of professional racing from a man who has lived it.

## Prediction Row 2025

With only two races left in the Summer Segment, Bill McCormick and Craig Simundza hold a comfortable lead. The battle is for third place, the final transfer spot. After the Richmond and Daytona races, the top three predictors will move on to the Playoff Segment. The current standings are:

**Bill McCormick - 5 wins, 390 points**

**Craig Simundza - 4 wins, 420 points**

**Rick Kegel - 2 wins, 374 points**

Rick Almeida - 2 wins, 366 points

Len Pouncey - 2 wins, 344 points

Marty Wool - 2 wins, 314 points

## Camp Villages R/C Car Racing Roars to Life at Laurel Manor

The Laurel Manor Recreation Center was transformed into a high-octane indoor racetrack on July 10 for the annual Camp Villages R/C car racing extravaganza – and it was full throttle fun from start to finish! There were 18 racers!

Leading the charge once again were Bob and Janine Woodsford, the event’s dedicated “team owners,” who brought their passion for racing to life for a new generation of fans. Backed by a pit crew of yellow-shirted volunteers, the Woodsfords orchestrated a smooth and exciting afternoon at the races for kids and their grandparents alike.

From practice laps to the final lap, the energy was electric as young racers navigated the turns with guidance from seasoned enthusiasts. Thanks to the incredible efforts of everyone involved, this year’s Camp Villages R/C car racing event was a checkered-flag success.
